6.
Performed the **first Da Vinci Robot assisted partial nephrectomy** in Johannesburg, SA, on the 5th October 2015.

7.
Acted as Dr Mohamed Abdelaleem's International Supervisor for his **MD thesis on Laparoscopic Sacrocolpopexy**.

AWARDS & NOMINATIONS

1.
Bard prize received for the best presentation titled "The Effect of Argon Beam Coagulation on the Integrity of Suture Material" at the 24th Biennial Congress of the Urological Association of South Africa, March 2002, Sun City, SA.

2.
Discovery prize received for the best paper presentation for "An Audit of En Bloc Stapling of the Renal Hilum during Laparoscopic Nephrectomy", 26th Congress of the SA Urological Association, November 2006, Cape Town, SA.

3.
Paper titled "Modified Technique to Decrease Morbidity during Laparoscopic Nephrectomy" and presented at the World Congress of Endourology in 2008, Shanghai, China was awarded as one of the **congress highlights** and was published in the Highlights Edition of the Journal of Endourology in September 2009 issue.

4.
Awarded the **Karl Storz Golden Scope Award** for the Junior Urologist of the year at the 28th Congress of the SA Urological Association, October 2010, Durban, SA.
